# GREEN FUNERAL

A Green Funeral is designed to limit the environmental impact a funeral has on our surroundings. The local natural burial sites have guidelines in place to ensure their natural surroundings are kept fresh and flourishing. The burial grounds are extremely well managed to create a place of peace and serenity.

Our green funeral professional fees are £1995, these include:

Advice and assistance to register a death (or the Coroner's procedure, if involved).

Funeral arrangements at our premises or your own home including advice on how to lower environmental impact with certain items and services.

Bringing a loved one into our care from any hospital in Worcestershire (during office hours)

The care of your loved one at our funeral home until the time of cremation.

The use of our private chapel of rest during office hours.

A hearse cortege leaving from any location within 10 miles of the service location.

Four professional coffin bearers.

Collection and administration of donations.

## ADDITIONAL COSTS

Our coffin range starts from £275
